

Fly ([Jonathan Floyd](#)) 2021

Kan du h re meg? Timer blir til  r

(Can you hear me? Hours turn into years)

For jeg faller inn og jeg er blodig, du er som morfin i mine s r

(Because I fall in and I'm bloody, you're like morphine in my wounds)

Kan du h re meg?  h, som tiden g r!

(Can you hear me? Oh, how time flies!)

Jeg m  hoppe inn og v re modig for du har f tt meg til   forst 

(I must jump in and be brave because you have made me understand)

At du vil se meg fly igjen, se meg ta p  skyene

(That you want to see me fly again, see me touch the clouds)

Du vil se meg fly, se meg fly, se meg fly

(You want to see me fly, see me fly, see me fly)

For jeg har ikke v ert meg selv, Lady, har ikke hatt noe s rlig igjen   gi

(Because I haven't been myself, Lady, haven't had anything much left to give)

Du vet akkurat hva du kan si for   f  meg til   ville bli igjen, igjen, igjen

(You know just what to say to make me want to stay (again), again, again)

Kan du h re meg?  h, som tiden g r!

(Can you hear me? Oh, how time flies!)

Jeg m  hoppe inn og v re modig for du har f tt meg til   forst 

(I must jump in and be brave because you have made me understand)

At du vil se meg fly igjen, se meg ta p  skyene

(That you want to see me fly again, see me touch the clouds)

Du vil se meg fly, se meg fly, se meg fly

(You want to see me fly, see me fly, see me fly)

At du vil se meg fly igjen, se meg ta p  skyene

(That you want to see me fly again, see me touch the clouds)

Du vil se meg fly, se meg fly, se meg fly

(You want to see me fly, see me fly, see me fly)

At du vil se meg fly igjen, se meg ta p  skyene

(That you want to see me fly again, see me touch the clouds)

Du vil se meg fly, se meg fly, se meg fly

(You want to see me fly, see me fly, see me fly)
