

## To fulle menn ([Jokke & Valentinerne](#)) 2018

Ketchup på skjorta, og sennep i ræva  
(Ketchup on the shirt, and mustard in the ass)  
Goggen fikk juling, og jeg blei taua  
(Goggen got beaten up, and I was roped in (arrested))  
Vi skulle på kino, men hva fikk vi se?  
(We were going to the cinema, but what did we see?)  
En sjappe med alkohol, og, og det var det  
(A bar/shop with alcohol, and, and that was it)

To fulle menn, rider igjen. To fulle menn, rider igjen. To fulle menn, rider igjen  
(Two drunk men, riding again. Two drunk men, riding again. Two drunk men, riding again)

Goggen fikk lønning, og jeg var blakk  
(Goggen got his salary, and I was broke)  
Det er ingen av oss som går rundt og spiller sjakk  
(None of us go around playing chess)  
Så hva skal en gjørra? Skal en legge seg ned?  
(So what should we do? Should we lie down?)  
Eller slå ut håret, og stikke ut et sted?  
(Or break free, and get out somewhere?)

To fulle menn, rider igjen. To fulle menn, rider igjen. To fulle menn, rider igjen  
(Two drunk men, riding again. Two drunk men, riding again. Two drunk men, riding again)
